If you close the payment account, you must notify *UI* Credit Union and identify a new payment account for the selected service(s).

H. Transfers from Non-Transactional Accounts

The number of transfers from a non-transactional account (e.g., a savings account) is limited as described in the applicable Deposit Agreement and disclosure. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion of the funds held until the hold expires.

I. Overdrafts: Order of Payments, Transfers, Other Withdrawals

If your account has insufficient funds to perform all electronic funds transfers (ATM withdrawals, pre-authorized transactions, *UI* Online transfers and bill payments, etc.) that you have requested for a given business day, then:

In addition to protecting your passwords and account information, you should also take precautions to protect your personal identification information, such as your driver's license, Social Security Number, etc. This information by itself or together with information on your account may allow unauthorized access to your account(s). It is your responsibility to protect personal information with the same level of care that you protect your account.

M. Secured Electronic Mail (E-mail)

Sending secured electronic mail (E-mail) through *UI* Online is a safe way to communicate with *UI*. E-mail is provided for you to ask questions about your account(s) and provide general feedback. E-mail is accessible after you sign on to a session of *UI* Online with your password. To ensure the security of your account information, we recommend that you use the E-mail feature within *UI* Online when asking specific questions about your account(s). It is assumed that any communications through *UI* Online were sent or authorized by you.

You cannot use E-mail to initiate transactions on your account(s). For banking transactions, please use the appropriate functions within *UI* Online or call (937) 225-6800, option -0- / (800) 543-5000, option -0-.

N. Important Things To Remember

UI will NEVER contact our members and ask them to provide their online banking credentials. This includes, but is not limited to, by mail, phone, email, text message or in-person.

In the event you do identify suspicious activity on any of your accounts, please contact *UI* immediately at (937) 225-6800, option -0- / (800) 543-5000, option -0-.

IV. Bill Payment Service

A. Payment Scheduling

The earliest possible Scheduled Payment Date for each Biller (typically five (5) or fewer Business Days from the current date) will be designated within the application when you are scheduling the payment. Therefore, the application will not permit you to select a Scheduled Payment Date less than the earliest possible Scheduled Payment Date designated for each Biller. When scheduling payments you must select a Scheduled Payment Date that is no later than the actual Due Date reflected on your Biller statement unless the Due Date falls on a non-Business Day. If the actual Due Date falls on a non-Business Day, you must select a Scheduled Payment Date that is at least one (1) Business Day before the actual Due Date. Scheduled Payment Dates must be prior to any late date or grace period.

Payments to Billers outside of the United States or its territories are prohibited through the Bill Payment Service.

B. Service Guarantee

Due to circumstances beyond our control, particularly delays in handling and posting payments by Billers or financial institutions, some transactions may take longer to be credited to the account to which you have directed payment. Except as set forth below, we will bear responsibility for any late payment related charges up to \$50.00 should a payment post after its Due Date as long as the payment was scheduled in accordance with the guidelines described under "Payment Scheduling" in this Agreement.

Although tax payments and court-ordered payments may be scheduled through the Bill Payment Service, such payments are discouraged and are scheduled at your own risk. In no event shall we be liable for any claims or damages resulting from your scheduling of these types of payments. All research and resolution for any misapplied, mis-posted or misdirected tax or court-ordered payments will be the sole responsibility of you and not of the Service.

C. Payment Authorization and Payment Remittance

By providing us with names and account information of Billers to whom you wish to direct payments, you authorize us to follow the Payment Instructions we receive through the payment

system. In order to process payments more efficiently and effectively, we may edit or alter payment data or data formats in accordance with Biller directives.

When we receive a Payment Instruction through the Bill Payment Services, you authorize us to debit your Payment Account and remit funds on your behalf so that the funds arrive as close as reasonably possible to the Scheduled Payment Date designated by you. You also authorize us to credit your Payment Account for payments returned to us by the United States Postal Service or Biller, or payments remitted to you on behalf of another authorized user of the Bill Payment Service.

We will use our best efforts to make all your payments properly. However, we shall incur no liability and any Service Guarantee shall be void if we are unable to complete any payments initiated by you because of the existence of any one or more of the following circumstances:

1. If, through no fault of the Credit Union, your Payment Account does not contain sufficient funds to complete the transaction;
2. The payment processing center is not working properly and you know or have been advised by us or on our behalf about the malfunction before you execute the transaction;
3. You have not provided us with the correct Payment Account information, or the correct name, address, phone number, or account information for the Biller; and/or,
4. Circumstances beyond our control (such as, but not limited to, fire, flood, or interference from an outside force) prevent the proper execution of the transaction and we have taken reasonable precautions to avoid those circumstances.

Provided none of the foregoing exceptions are applicable, if we cause an incorrect amount of funds to be removed from your Payment Account or cause funds from your Payment Account to be directed to a Biller which does not comply with your Payment Instructions, we shall be responsible for returning the improperly transferred funds to your Payment Account, and for directing to the proper Biller any previously misdirected transactions, and, if applicable, for any late payment related charges.

D. Payment Methods

We reserve the right to select the method in which to remit funds on your behalf to your Biller. These payment methods may include, but may not be limited to, an electronic payment, an electronic to check payment, or a laser draft payment (funds remitted to the Biller are deducted from your Payment Account when the laser draft is presented to your financial institution for payment).

E. Payment Cancellation Requests

You may cancel or edit any Scheduled Payment (including recurring payments) by following the directions within the application. There is no charge for canceling or editing a Scheduled Payment. Once we have begun processing a payment, the payment cannot be cancelled or edited, therefore a stop payment request must be submitted.

F. Stop Payment Requests

Our ability to process a stop payment request will depend on the payment method and whether or not a check has cleared. We may not have a reasonable opportunity to act on any stop payment request after a payment has been processed. If you desire to stop any payment that has already been processed, you must contact Member Services. Although we will make every effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request in writing within fourteen (14) days. You will be charged for each stop payment request in accordance with our current General Fee Schedule.

G. Bill Delivery and Presentment

This feature is for the presentment of electronic bills only and it is your sole responsibility to contact your Billers directly if you do not receive your statements. In addition, if you elect to activate one of the Bill Payment Service's electronic bill options, you also agree to the following:

Information provided to the Biller - We are unable to update or change your personal information such as, but not limited to, name, address, phone numbers and e-mail addresses, with the electronic Biller. Any changes will need to be made by contacting the Biller directly. Additionally, it is your responsibility to maintain all usernames and passwords for all electronic Biller sites. You also agree not to use someone else's information to gain unauthorized access to another person's bill. We may, at the request of the Biller, provide to the Biller your e-mail address, service address, or other data specifically requested by the Biller at the time of activating the electronic bill for that Biller, for purposes of the Biller informing you about Service and/or bill information.

Activation - Upon activation of the electronic bill feature, we may notify the Biller of your request to receive electronic billing information. The presentment of your first electronic bill may vary from Biller to Biller and may take up to sixty (60) days, depending on the billing cycle of each Biller. Additionally, the ability to receive a paper copy of your statement(s) is at the sole discretion of the Biller. While your electronic bill feature is being activated, it is your responsibility to keep your accounts current. Each electronic Biller reserves the right to accept or deny your request to receive electronic bills.

Authorization to obtain bill data - Your activation of the electronic bill feature for a Biller shall be deemed by us to be your authorization for us to obtain bill data from the Biller on your behalf. For some Billers, you will be asked to provide us with your user name and password for that Biller. By providing us with such information, you authorize us to use the information to obtain your bill data.

Notification - We will use our best efforts to present all of your electronic bills promptly. In addition to notification within the Bill Payment Service, we may send an e-mail notification to the e-mail address listed for your account. It is your sole responsibility to ensure that this information is accurate. In the event you do not receive notification, it is your responsibility to periodically logon to the Bill Payment Service and check on the delivery of new electronic bills. The time for notification may vary from Biller to Biller. You are responsible for ensuring timely payment of all bills.

Cancellation of electronic bill notification - The electronic Biller reserves the right to cancel the presentment of electronic bills at any time. You may cancel electronic bill presentment at any

time. The timeframe for cancellation of your electronic bill presentment may vary from Biller to Biller. It may take up to sixty (60) days, depending on the billing cycle of each Biller. We will notify your electronic Biller(s) as to the change in status of your account and it is your sole responsibility to make arrangements for an alternative form of bill delivery. We will not be responsible for presenting any electronic bills that are already in process at the time of cancellation.

Non-Delivery of electronic bill(s) - You agree to hold us harmless should the Biller fail to deliver your statement(s). You are responsible for ensuring timely payment of all bills. Copies of previously delivered bills must be requested from the Biller directly.

Accuracy and dispute of electronic bill - We are not responsible for the accuracy of your electronic bill(s). We are only responsible for presenting the information we receive from the Biller. Any discrepancies or disputes regarding the accuracy of your electronic bill summary or detail must be addressed with the Biller directly.

This Agreement does not alter your liability or obligations that currently exist between you and your Billers.

H. Service Fees and Additional Charges

Any applicable fees will be charged regardless of whether the Bill Payment Service was used during the billing cycle. There may be a charge for additional transactions and other optional services. You agree to pay such charges and authorize the Service to deduct the calculated amount from your designated Billing Account for these amounts and any additional charges that may be incurred by you. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access fees and/or Internet service fees that may be assessed by your telephone and/or Internet service provider.

I. Failed or Returned Transactions

In using the Bill Payment Service, you are requesting the Bill Payment Service to make payments for you from your Bill Payment Account. You understand Billers and/or the United States Postal Service may return payments to us for various reasons such as, but not limited to, Biller's forwarding address expired; Biller account number is not valid; Biller is unable to locate account; or Biller account is paid in full. We will use reasonable efforts to research and correct the returned payment and return it to your Biller, or void the payment and credit your Payment Account. If we are unable to complete the transaction for any reason (including, without limitation, insufficient funds in your Bill Payment Account), the transaction will not be completed. In such case, you agree to reimburse us for any fees imposed by the payee or a financial institution as a result of the return.

J. Address or Account Changes

It is your sole responsibility to ensure that the contact information in your user profile is current and accurate. This includes, but is not limited to, name, address, phone numbers and email addresses. Changes can be made either within the application or by contacting Member Services. Any changes in your Bill Payment Account should also be made in accordance with the procedures outlined within the application's Help files. All changes made are effective

immediately for scheduled and future payments paid from the updated Bill Payment Account information. We are not responsible for any payment processing errors or fees incurred if you do not provide accurate Bill Payment Account or contact information.

K. Biller and Amount Limitation

We reserve the right to refuse to pay any Biller to whom you may direct a payment. We will notify you promptly if we decide to refuse to pay a Biller designated by you. This notification is not required if you attempt to make a prohibited payment or an exception payment under this Agreement.

In addition, we may establish limits on the dollar amount and/or number of payments permitted through the Bill Payment Service. We will notify you promptly if we to refuse to make a Bill Payment in an amount scheduled by you.

L. Information Authorization

Your enrollment in the Bill Payment Service may not be fulfilled if we cannot verify your identity or other necessary information. In order to verify ownership of the Bill Payment Account(s) and/or Billing Account, we may issue offsetting debits and credits to the Bill Payment Account(s) and/or Billing Account, and require confirmation of such from you. Through your enrollment in the Bill Payment Service, you agree that we reserve the right to request a review of your credit rating at our expense through a credit reporting agency. In addition, you agree that we reserve the right to obtain financial information regarding your account from a Biller or your financial institution (for example, to resolve payment posting problems or for verification).

E. Your Liability for Unauthorized Transfers Through Use of Bill Payment Services

Consumer Liability

Tell us AT ONCE if you believe your password or other means to access your account has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 Business Days after you learn of the loss or theft of your password, you can lose no more than \$50.00 if someone used your password without

your permission. If you do NOT tell us within 2 Business Days after you learn of the loss or theft of your password, and we can prove that we could have stopped someone from using your password or other means to access your account through such Services, or either of them without your permission, if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card, password or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money had you told us in time. If a good reason (such as a long trip or a hospital stay) prevented you from telling us, we may extend the period.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 Business Days after your oral notification.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to

investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation. We may revoke any provisional credit provided to you if we find an error did not occur. If we do not complete a transfer to or from your *UI* Credit Union account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make a transfer.

You understand that financial institutions receiving the funds transfer instructions may rely on such information. We are not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. You understand that if you provide us with incorrect information or if there is any

error in your instruction we will make all reasonable efforts to reverse or delete such instructions, but you accept full responsibility for losses resulting from any of your errors, duplication, ambiguities or fraud in the information that you provide. You agree not to impersonate any person or use a name that you are not authorized to use. If any information you provide is untrue, inaccurate, not current or incomplete, without limiting other remedies, we reserve the right to recover from you any costs or losses incurred as a direct or indirect result of the inaccurate or incomplete information.

The foregoing subsection G applies only to Bill Payment Services.
